GET THE FULL EXPERIENCE AT IET LONDON: SAVOY PLACE

Whatever your needs, we want you to be able to fully participate in events at Savoy Place. That's why we provide services and facilities for a range of requirements, whether they're related to mobility, vision, hearing or diet.

Situated alongside the River Thames in the heart of London, Savoy Place is easy to get to by London Underground, mainline trains and river.

With its versatile spaces, state-of-the-art audio visual facilities and high quality catering, it's an ideal venue for everything from conferences to one-to-one meetings. So why not plan your visit or next event with us today?

WWW.SAVOYPLACE.LONDON
GETTING AROUND THE BUILDING

If you use a wheelchair or have other specific access requirements, you'll find a number of relevant features at Savoy Place.

**Entrance**
- A sesame lift at the main entrance provides step free access (pictures A and B)
- If you'd like assistance with the lift, there is a call button on the right-hand side of the main entrance steps
- There is an additional entrance on the east side of the building, which you can access by mobile ramp
- The reception desk can be adapted to your ideal height

**Corridors**
- Corridor dimensions throughout the venue on each floor are approximately 1.6m wide

**Lecture theatres**
- Our lecture theatres provide space for a wheelchair plus companion

**Events with mobile stages sets**
- When clients hire mobile stages or AV packages with stages for their keynote speakers, they have the option to hire a ramp 4.2m ramp to compliment the stage stage (as per picture C). Mobile stages and ramp require 4 working days notice and should be booked via the Meetings and Event Co-ordinator
USING LIFTS AND STAIRS

– Lifts are on the Lower Ground Floor, Ground Floor, First Floor, Second Floor and Third Floors.
– The passenger lift door is 1450mm wide x 2250mm deep x 2500mm high.
– Passenger lifts are large enough for a standard wheelchair plus a companion.
– There is enough space in passenger lifts to turn a wheelchair.
– Control buttons in the lifts are at an accessible height.
– There is an accessible lift in the Riverside Room on the third floor, which will take you up to the Johnson Roof Terrace.
– Handrails are fitted to all staircases.

ACCESSIBLE TOILETS

Accessible toilets are on the Lower Ground Floor, Ground Floor, Second and Third Floors.

In each toilet:
– the wash basin height is 0.72m
– the toilet height is 0.44m
– the toilet flush is a touch panel above the toilet seat
– the door width dimension is 0.91cm
– there are horizontal and vertical grab rails
– there is an alarm cord to pull in the event of an emergency

The alarm cord

When the cord is pulled, an alarm will sound in the main reception. The Duty Manager or first aider will enter the toilet – they will manage this discreetly and will ask other guests to leave the surrounding area if necessary.

If you require further assistance, please speak to our concierge team.

HEARING SUPPORT

For those with hearing impairments, we offer the following services.

– The Maxwell and the Riverside Room have conventional induction loops for people with hearing aids. If you're wearing a hearing aid, you can tune into the loop by switching to the T-position.
– For the lecture theatres, you can request equipment that works with an infrared system. The equipment is compatible with T-button hearing aids and will create a personal loop for you. Please speak to the Duty Manager if required.
– A mobile induction loop is available for smaller meetings. If you'd like to use it, please pre-organise or speak to the Duty Manager.
– Induction is also located at Concierge and the Faraday Centre.

VISUAL SUPPORT

If you have a visual impairment, there are a number of relevant features and services at Savoy Place.

– Defined trimming on most carpets make stair edges more visible.
– Assistance dogs are welcome – we can provide towels and water for them.
– Our staff are trained on how to guide and make themselves known to partially sighted and blind people.
– The Faraday Kitchen is well-lit, making it easy to read menus or menus can be printed with a larger font. Staff can read the menu aloud if required.
EATING AT SAVOY PLACE

Dietary requirements

Whether you have dietary requirements due to an allergy, long-term medical condition or personal preference, our catering team will do their best to accommodate you.

Our menu includes gluten free and dairy free options. You can also let us know your requirements during the booking process.

If you're not able to give us advance notice, we will of course try our best to accommodate you on the day.

The Faraday Kitchen

Enjoy a hot meal or quick snack at The Faraday Kitchen on the second floor.

There is a designated table with priority for wheelchair users available. The Faraday Kitchen is self-service, but if you’d prefer table service, please let us know.

External caterers

External caterers are not permitted without prior agreement from the Operations Manager. If you wish to use external caterers, you must inform us at least 60 days before the event date. There will be a compensation charge per head and we’ll confirm the rate at the time of booking.

External caterers must provide the appropriate legislative documentation and insurance no less than 30 days before the event. The Operations Manager has the right to decline the proposed external caterer.

CONTACT DETAILS AND OPENING HOURS

Event organisers have access from 8am.

The Faraday Centre is open to members from 8.30am to 6.30pm.

If you’d like to speak to someone directly, please contact us by phone or on our website.

IN AN EMERGENCY

All of our staff take part in regular training on disability awareness.

We also have set evacuation procedures which consider accessibility.

– Before you arrive at Savoy Place, you can request a Guest PEEP (Personal Evacuation Evaluation Plan). You’ll be able to arrange any assistance you’ll need in the case of an evacuation.
– We have wheelchairs, evacuation chairs and sledges available.
– Signs in the venue are clear – we use white letters on a black contrasting background.
– Strobe fire alarms for guests with hearing impairments are installed throughout the venue.
– We search accessible toilets in the event of an evacuation.
– Information sheets are available at reception for guests with a hearing impairment.
– If you have vision impairments, our team can read the fire evacuation procedures to you.
– If you wish, the concierge team can provide you with a contact number that you can use to call for assistance while in the venue.
