Choose from our range of dining menus and packages – from small meetings and intimate dinners to large banquets or parties. With an unwavering attention to quality and service, our team of chefs is committed to showcasing the best seasonal produce from the British Isles in delicious and memorable dishes. Paired with a hand-picked selection of wines, and perhaps welcomed by a glass of Searcys very own Cuvée Champagne, your guests will be in for a treat.

On behalf of everyone, we look forward to welcoming you to Savoy Place and delivering the perfect event.
HEALTHY LIVING

Our talented Searcys chefs don’t compromise on flavours to deliver you creative healthier choices for your daytime events. Look out for the green leaf indicating our healthier lifestyle options.

Throughout our menus we use fresh, seasonal ingredients which have been proven to provide nutritional benefits, helping you and your guests maintain a well-balanced lifestyle.

SWAPS

Swap your biscuit breaks for something healthier at no extra charge.
Choose from delicious freshly blended smoothies, home-made granola, pick-me-up powershots, low-fat yoghurts and fresh fruit. Take a look at our full range within our refreshments and breaks menu.

SUPERFOODS ARE SWEEPING THE NATION

Our chefs keep up with the latest trends, look out for berries, açai, broccoli and other such ingredients featured in our dishes, which are rich in vitamins, minerals and antioxidants.

By sourcing seasonal and local produce we also reduce our food miles and our impact on the environment.

Choose low-fat dairy options as part of our healthier lifestyle choices.

We only use rapeseed oil in our dishes, along with lean meat, chicken and fish, which are known to provide numerous health benefits.

Our grains are high in fibre with slow releasing energy to keep you fuller for longer.
FOOD AND DRINK

Up to 90% of seasonal fruit and vegetables on our menus are British. You will always find indulgent plant-based dishes on every Searcys menu.

We only use British-harvested rapeseed oil in cooking.

We champion local produce, with all fresh fruit, vegetables, cheese and dairy coming from our local supply network.

We celebrate signature seasonal English apples at all our cafes. We also offer a free bowl with all our meetings packages.

All our fresh eggs are British free-range.

We only source British meat and poultry using, whenever possible, regenerative farms like Lake District Farmers cooperative.

All our bacon is British-reared and dry-cured.

We do everything to minimise food waste through menu and portion design, and food waste separation.

All our frozen prawns are Marine Stewardship Council-certified as sustainably farmed.

Our cooking chocolate is organic single source from Islands Chocolate farm in St Vincent and you can trace its journey from pod to pot.

In 2022, we were awarded the Disability Confident Employer certificate. The accreditation helps us ensure that everyone has an opportunity to fulfill their potential.

We have launched a trial of a carbon footprint calculator to understand the impact of our menus.

We use porcelain crockery, glassware and metal cutlery as much as possible to reduce single-use food packaging. Where it is impossible to avoid, we choose organic materials for packaging and limit plastic where we can. We focus on minimising the windows/weight of plastic inclusions and choose recyclable materials over compostable.

We have partnered with food waste app Too Good To Go, an innovative app that connects customers to restaurants that have unsold food surplus – at a great price – so it gets eaten instead of wasted.

All our teas are ethically, responsibly sourced, Fairtrade and some are carbon-neutral.

Our coffee comes from an organic cooperative of smallholders in Peru and from family-run single estates in Guatemala and Colombia.

Our bottled water is naturally-sourced Harrogate. It is Britain’s oldest bottled water, discovered in 1571, first bottled in 1740. It has the lowest food miles in the UK and it has been B-Corp accredited.

We celebrate English sparkling wines, working with some of the best vineyards in the country. We have also created our own label working with a vineyard in Guildford.

Our house beer is supplied by Freedom Brewery, the only beer recommended by the Sustainable Restaurant Association and Toast, a craft beer brewed with surplus fresh bread that would otherwise be wasted, with all profits going to the charity.
