WORKPLACE RISK ASSESSMENT FOR SAVOY PLACE – COVID-19

This assessment has been developed mindful of HM Government guidance and reviewed regarding the COVID-19 Response – Spring 2021 Published 22 February 2021 – Roadmap out of Lockdown

Together with IET’s ongoing risk assessment approach, It should also be noted that these guidelines only apply in England.

Roadmap Summary at Savoy Place

<table>
<thead>
<tr>
<th>DATE</th>
<th>AREA</th>
<th>Notes</th>
</tr>
</thead>
</table>
| Step 1 - 08 & 29 March | Education  
                      Social Contact  
                      Business and Activities  
                      Travel     | • Schools and Higher Education Practical Courses  
                      • Meet up outdoors  
                      • Outdoor sports and swimming pools  
                      • Stay at Home Rule expires but people should continue to work from home |
| Step 2 - 12 April  | Business and Activities  
                      Events                                                          | • Non-essential retail may open  
                      • Hospitality Venues will be allowed to serve people outdoors  
                      • Funerals up to 30 permitted. Weddings and other commemorative events such as wakes will rise to 15 |
| Step 3 - 17 May    | Social Contact  
                      Business and Activities  
                      Events  
                      Review of Social Distancing  | • The government will look to continue easing limits on seeing friends and family wherever possible but remain limited to a maximum of 30.  
                      • Most businesses will be able to reopen but still with some restrictions in numbers  
                      • Up to 30 people will be able to attend weddings, receptions and wakes, as well as funerals. This limit will also apply to other types of significant life events.  
                      • the government will complete a review of social distancing and other long-term measures. This will also inform guidance on working from home – which should continue wherever possible until this review is complete. |
| Step 4 – 19 July  | Social Contact  
                      Business and Activities                                           | • The requirement to wear face coverings in law will be lifted. However, the Government expects and recommends that people wear face coverings in crowded areas such as public transport.  
                      • To minimise risk at a time of high prevalence, you should limit the close contact you have with those you do not usually live with. |

Overview
<table>
<thead>
<tr>
<th>AREA</th>
<th>RULE</th>
<th>NOTES</th>
</tr>
</thead>
</table>
| **Savoy Place – Current Status**          | Hours – 10:00 to 15:00                 | • Visitors, delegates and guests by prior arrangement only  
• Staff and contractors by prior arrangement only  
• It is expected that Face Covering will still be worn whilst moving around in the venue  
• Social Distancing will still be in place at the venue |
| Visitors/Staff/Contractors                | Anyone visiting Savoy Place            | Must be issued with a copy of this Risk Assessment and reply confirming Y/N to these questions:  
• You have read the document  
• You will abide by its control actions  
• You have been free of Covid 19 symptoms for the past 14 days.  
• You have downloaded the NHS Covid-19 App and will use our QR code to check-in on arrival |
| Public Areas                              | One-way systems and face coverings are to be worn in all public areas - from the entrance to the office or meeting room.                      |                                                                                                                                                                                                       |
| Offices                                   | 2m rule and 1m plus                    | There are three office areas – Two on the first and one on the third floor. Third floor 1m plus with plastic screens                                                                                                                                 |
| Faraday Centre (FC)                       | Hours – 10:00 to 15:00 Tuesday to Thursday | From Tuesday 20th July, the Faraday Centre will be open from Tuesday-Thursday, 10am – 3pm  
Limited capacity to 30 members any one time with one guest each. Booths /lounge space and 2 meetings rooms are available. The Faraday Kitchen remains closed |
| Knowledge Centre                          | Hours – 10:00 to 15:00 Tuesday to Thursday | From Tuesday 22 June 2021, the Knowledge Centre will be open from Tuesday-Thursday, 10am – 12pm and 1pm – 3pm                                                                                   |
| Meeting Rooms - Internal Use              | 2m rule for internal meetings          | Social Distancing remains is place at the venue  
1m plus (Risk Assessment to be provided by the organiser and reason why) To minimise risk at a time of high prevalence, you should limit the close contact you have with those you do not usually live with. |
<p>| Meeting Rooms - External Use              | Both 2m and 1m plus can be offered     | 1m plus (Risk Assessment to be provided by the organiser and reason why) To minimise risk at a time of high prevalence, you should limit the close contact you have with those you do not usually live with.             |</p>

<th>Additional actions</th>
<th>Who and when</th>
<th>Done</th>
</tr>
</thead>
</table>

Table:
| Arrival and departure | Source of congestion and potential point of introduction of contamination | Individuals entering and leaving (and all occupiers) | | | • Wearing of Face coverings remains expected in the venue. | • Signage from entrance and throughout the building | • External signage will also be in place to remind all attendees that face coverings remain expected before entering the building. | • Should increased numbers on a particular day require it we could open the West Delivery entrance to allow egress by visitors or delegates to improve traffic flow. | • Hand sanitiser provided at entrance door and concierge desk | • Hands to be washed and sanitised immediately on entry to SP following the use of public transport. | • Floor signage (Tape and Stickers) reminding of Physical Distancing | Floor signage is in place in the Concierge area to maintain Physical Distancing of people entering and exiting the building | Limitations may be placed on the use of the entrance doors to the Flowers and Haslet Rooms |
| Arrangement | • Arrangement | • • Arrangement | | | | | | | | | |
| Circulation | Ability to maintain 2m distancing in circulation routes | All building users | • One-way stairwells with signage | • West Staircase to be UP - East Staircase to be DOWN | • One-way system includes the Roof Terrace | • Maximum occupancy of four people in the lifts facing the wall as per the floor signage and reserved for mobility issues | • Minimising total on-site presence | • Staff to increase frequency of hand washing and their own surface cleaning | • Reduce the activity time to reduce time on site | • Consider use of communal areas – Kitchenettes and Dolby – Maximum occupation and Physical Distancing - Dolby = 9, 1st Floor Kitchenette = 3, 3rd Floor kitchenette = 1 | • The use of radios and mobile phones to communicate within the building should be promoted. This will limit the number of movements around the building | • Avoid contact, maintain Physical Distancing | Concierge | • Physical Distancing signage will be on display | • Tape and stickers on the floor will remind about the keep your distance rule. | Faraday Centre |
| Toilets | Ability to maintain 2m distancing and avoid spread of virus | All building users | • Some Urinals placed ‘Out of Use’ according to 2m distancing with specific covers as it is a public area | • Signage for washing hands is in place | | | | | | | | | | | | |
| Meeting Facilities | Multiple users in an area spreading virus | All staff in meeting | • Meeting rooms available to hire as event spaces  
  • Additional COVID signage within the room  
  • Meetings in general discouraged in favour of IT solutions – Use of IT from their desk  
  • No pen, pencils or paper required as part of set up  
  • Flip Chart stands and pens will be sanitised. Event Organiser should take the flip chart paper with them. Each delegate to have pen – no shared pens  
  • Doors/Windows to be open, if possible, whilst meeting is in progress  
  • Sanitiser will be provided in each meeting room  
  • Meeting Room tables will be sanitised between meetings  
  • Meeting Room stationery boxes will be removed  
  • Grey baize cloths will be quarantined for 72 hours after each use – Porters will remove the cloths wearing the appropriate PPE  
  • All event organisers encourage to bring little or no collateral  
 |  | Deliveries for meeting rooms | Staff, visitors Organisers | • Event organisers should be advised NOT to have large deliveries of collateral and furniture  
  • Delivery staff are required to wear PPE within the building  
  • Sanitiser and signage by all delivery entrances and fire doors  
 | Exposure to COVID-19 virus | Multiple users in area spreading virus | Staff | • Kitchenettes in Dolby/1st Floor and 3rd Floor will be available  
  • At present the Dolby is set for MAX 9 people  
  • Staff to use limited space available in the Dolby, their desks, or Embankment Gardens to eat  
  • Sanitiser and wipes will be available in these areas  
 | Communal areas | Ability to maintain 2m between colleagues | All desks users | • Assign a desk to an individual.  
  • Where possible work side by side not facing.  
  • Staff will be required to clean down their desk area and equipment before leaving.  
 | Workplace and workstations | Ability to maintain 2m between colleagues | Venue Office Staff | • The Third Floor Venue office desks that are available have been identified to maintain the Physical Distancing of 1m+  
  • Plastic screens have been installed  
  • Sanitisers are available on each available desk  
  • Windows in this area will remain open.  
<p>| Workplace and workstations |  |  | Allocate alternative desk as required |</p>
<table>
<thead>
<tr>
<th>Topic</th>
<th>Responsible</th>
<th>Action</th>
</tr>
</thead>
</table>
| Accidents and emergencies                 | IET incident staff | - In event of a fire evacuation staff to evacuate and keep 1m+ apart underneath Waterloo Bridge  
- Senior Manager will become the Incident Controller and undertake a Rollcall.  
- Specific PPE has been purchased to safeguard both parties in case of an incident |
| Fire control                              | All staff   | - Senior Manager to make daily checks on occupancy and appoint a fire marshal.  
- Some doors have been allocated to remain open, some of which are fire doors – Fire Marshals will be aware of these doors in their areas and will be tasked to monitor them. |
| First aid                                  | All staff   | - Depending on the number of staff on site will depend on the number of first aiders required. Currently MWW, JB, Moh and Anastasija are qualified.  
- All Duty Managers are First Aiders |
| Lone working while in SP                  | No colleagues in vicinity in case of illness / collapse | - Concierge/DM aware of staff in lone working areas through knowing who is in the building  
- Concierge/DM will walk around during the day to monitor  
- Staff working alone to contact Concierge/DM every 2 hours |
| Exposure to COVID-19 virus                | Staff, members and visitors | - Take the person to an FM Station  
- In the FM Station provide the patient a mask and pair of disposable gloves to wear – Yellow boxes  
- Duty Manager to wear Perspex face shield  
- Duty Manager will escort the patient to the First Aid Room  
- Explain that the patient will need to call 111 – Show the phone  
- Leave the patient in the room  
- They call 111 – They discuss their symptoms with the advisor  
- Ensure ‘Room Occupied’ is displayed  
- When the call is complete patient will call the Duty Manager phone and talk about the next steps according to the advisor  
- Duty Manager Number: 07738 713860  
- Duty Manager will inform contractor and a trained cleaner will carry out ‘Enhanced Cleaning’ of the room and any room the patient has occupied  
- These notes are on display in the first aid room  
- It is likely that following the display of symptom, the person may be instructed to self-isolate for a period of time |
<table>
<thead>
<tr>

</tr>
</tbody>
</table>
| Keeping SP clean              | Stop spread of the virus                      | Staff, members and Contractors   | - Cleaners will be onsite to frequently clean the high touch points on doors, vending machines, copiers etc  
  - Waste management will remain as before the outbreak with the addition of disposable PPE disposal boxes. These will be kept in a designated area for 72 hours and then placed in the general waste refuse bin  
  - Staff can be provided with anti-bacterial wipes to clean their own workstation after use.  
  - Staff are encouraged to use the hand sanitizer units and frequently wash their hands using the NHS methodology  
  - Cleaners will be onsite to frequently clean the toilets. |                                             |                           |
| Handwashing, sanitation facilities/toilets | Reduce the spread of the virus | All building users | • IET will use signage to build awareness of the benefits of good hygiene | Wipes available adjacent to the radio chargers |
| Handling of goods etc | Avoid transmission through contact | Concierge staff | • Couriers have their own regulations to avoid transmission to minimise contact<br>• Couriers should place the delivery on the ground and back away maintaining at least 1m+ Physical distancing<br>• Boxes for events to be quarantined for 72 before distribution within the building.<br>• Other dispensers/wipes will be sited around the building |

7. Workforce management – to change the way work is organised

<table>
<thead>
<tr>
<th>Hazard / risk</th>
<th>Issue</th>
<th>Who at risk</th>
<th>Controls/ mitigations</th>
<th>Additional actions</th>
<th>Who and when</th>
<th>Done</th>
</tr>
</thead>
<tbody>
<tr>
<td>Unnecessary contact between staff</td>
<td>Potential transmission of virus</td>
<td>Staff</td>
<td>• Where possible managers should split teams. If contact is unavoidable ensure the contact is between the same people ie by keeping shift members, the same&lt;br&gt;• Reduce areas where people pass items directly to others – have drop off points ie Post will be placed on POD areas / trays rather than being handed to recipients</td>
<td></td>
<td></td>
<td></td>
</tr>
</tbody>
</table>

| Staff anxiety / concern over relaxation of restrictions (Step 4) | Step 4 of the roadmap and expected rise in cases | All colleagues | • Communication of IET welfare priority and return to office plans<br>• Maintaining similar levels of mitigation initially alongside 1:1 opportunity until later in year |
| Staff with limited benefit from vaccination programme | Colleagues not yet offered second vaccine, or medical issues prevent vaccination or compromise effectiveness | Colleagues | • Line management to consider vaccination status in return to office discussions<br>• Those with compromised protection / additional risk factors encouraged to discuss circumstances with line manager and HR<br>• Encouraging all colleagues to take up vaccine when offered |

| Issue of risk assessment and communications to colleagues | Issue of risk assessment and communications to colleagues |
| Staff communications, HR follow-up of cases | Staff communications, HR follow-up of cases |

| Comms, HR | 

GOLD to manage |
| Work related travel | Staff member catching virus | Staff | • Avoid all unessential travel  
• Minimise the number of staff travelling together  
• Hands to be washed and sanitised immediately on entry to SP following the use of public transport.  
• SP Remains a No Smoking/Vaping building |
| Communication and training | Staff unaware of the rules or risk assessment and becoming a danger to themselves and others | Staff | • The IET will provide clear and consistent information.  
• The IET will engage with the Health and Safety committee and representatives and agree changes in any working arrangements.  
• The IET will inform staff of the rules and risks prior to them entering SP.  
• The IET will keep staff informed of any changes to this risk assessment.  
• The IET has a reporting of incidents and questions process. This is through your Line manager to the Operations Manager. All contact information is available on the intranet or the “what you need to know” posters around SP  
• This risk assessment will be shared with the cleaning and catering companies who provide non IET staff at SP  
• Contractors have also created their own Risk Assessments which may result in alternative procedures |
| Unnecessary contact between staff and delivery personnel | Potential transmission of virus | Staff | • Event deliveries will be of a contactless nature as courier deliveries currently are.  
• Staff will supervise at an appropriate physical distance checking the number of items  
• Delivery log will be then completed as usual  
• Dispensers/wipes will be sited around the building  
• Collections will be the reverse of this procedure  
• The Catering Contractor will manage the catering deliveries in a similar manner |
| Close contact | Enhanced risk of transmission when physical proximity is less than 1m | Staff | • Close proximity work should not happen in Savoy Place if Risk Assessments are followed. Should circumstances arise that results in potential close contact that cannot be avoided (e.g. close working within a confined area for filming) a specific risk assessment should be undertaken. Additional |

| Exposure to COVID-19  | Site visits   | Visitors, Staff, Organisers | • Wearing of Face coverings remains expected in the venue  
• The next stage in the enquiry or firming up room set ups with client and contractor may involve showgrounds  
• All appointments must be booked. No ad hoc visits  
• Guests to be made aware there are no cloakroom facilities.  
• Where possible Haslet room to be used as a waiting room for site visit guests. To include hand sanitiser station  
• Pre arrival confirmation sent to client with details of the following:  
  • QR code to allow easy registration & where to wait for sales contact  
  • Copy of RA for the venue – Receipt should be confirmed  
  • How to access the building  
  • Plan of how to navigate around the venue  
  • All guests to sign saying they have not knowingly had the virus or symptoms or been in touch with anyone with symptoms in previous 14 days  
• Sales contact to walk route prior to visitor arrival & open all relevant doors including balcony doors were applicable  
• Physical Distancing must be considered for sit-down meeting  
• Any exchange of collateral should be done electronically  
• Stairs to be used instead of lifts if possible  
• Ops and Concierge to be made aware of all appointments  
• The intended route should be planned and circulated  
• Names and contact details should be recorded for all visitors to enable Track and Trace | A virtual ‘Fly Through’ video is available |

mitigations might include use of Covid testing (PCR or lateral flow tests) alongside use of appropriate PPE.
• **Lateral Flow Tests are available on site if required**

| Exposure to COV1D-19 virus | Meeting Room Setups | Staff Organisers Delegates | • Meeting rooms are available to hire as event spaces  
• Revised capacities have been compiled utilising Physical Distancing of 2m and 1m plus  
• Signs to be placed on meeting room doors to inform the maximum number of people allowed in the room  
• An appropriate number of chairs will be removed from Wedmore/Nuffield/Tesla to assist with the signage  
• Additional signage within the room  
• Where available the meeting room windows or windows in corridors, should be open to ensure fresh air ventilation  
• In meeting rooms pads and pens will not be provided  
• Each place setting will comprise  
  • 1 x Bottle of water; 1 x Glass; 1 x Bottle of sanitiser  
• The wearing of Face Coverings remains expected where Delegates are moving around the room for example to obtain catering.  
• The number of catering service points will be increased  
• There will be a short information video created to further explain to delegates the new procedures and what is expected of them. This will include:  
  • Physical Distancing/Hand Sanitiser  
  • Face coverings  
  • Toilets/Lifts/Stairs  
  • Emergency Evacuation  
  • Accessibility/Corridors  
  • Catering/Water Bottles | | |
| Exposure to COV1D-19 virus | Lecture Theatres | Staff Organisers Delegates | • Both lecture theatres are available to hire as event spaces  
• The ventilation systems in both lecture theatres will be configured to operate 24 hours per day at 100% as per | | | |
current Government Guidelines prior to and during, each event.

- Revised capacities have been compiled utilising Physical Distancing of 2m including signage
- We encourage organisations in higher risk settings to use the NHS COVID Pass as a condition of entry, in order to reduce the risk of COVID-19.
- Sanitiser stands outside each entrance
- Floor signage is in place to indicate the one-way system
- Plastic screen around the lectern at head height to 2.2m
- The wearing of Face Coverings remains expected when delegates leave their seats
- Audio Visual Team to make announcement through the PA voice of god and slide on the screens prior to delegates leaving their seats and stepping into public area
- The short information video may be played in the lecture theatres if content allows. If not, the information will be added to the Fire Safety briefing
- Reminders placed on the screens regarding face coverings
