Award Ceremonies & Special Occasions 2026

At IET London: Savoy Place we can cater for any occasion, whether it be Awards Ceremonies, fashion shows, product launches, film sets or anything in between, we strive to offer a wide variety of audio visual and technical solutions to create truly bespoke memorable experiences for you and your guests.

These services will require a planning meeting to discuss details and pricing.

Award Ceremonies & Special Occasions	Prices ex VAT
Some examples of services,	
- Full production Recording and Streaming (with live camera cuts on the recording)	POA
- Interactive Voting & SliDo	
- Music stings	
- Online Polls & virtual audience Q&A	
- Live Performance (Music, Entertainer, Comedian etc.)	
- DJ's & Dancefloor	
Etc.	

Please note that clients and presenters are not permitted to fit their own microphones. This is to prevent damage and any incorrect fitting that might lead to major issues and disruption during the event.

Please note that we advise the hiring of a second sound engineer for the purpose of micing up and down during fast turnarounds of lapelled panel sessions. This minimizes any need to pause or cause disruption to the event.

Hybrid & Streaming Events 2026

At IET London: Savoy Place we strive to offer a wide variety of audio visual and technical solutions to enhance the connection and engagement with your audience, whether they are in the room physically or remotely. We're delighted to provide the below services for streaming your event or creating a hybrid event when using our smaller flat floor spaces, in a u-shape or cabaret set up. If you want to have a few delegates in the room with a few speakers, but also need to connect with the rest of your delegates virtually, we have some great solutions to simply stream your content online or engage your audience remotely with a hybrid event utilizing our award winning IET.tv team.

All hybrid & streaming facilitation will require a planning meeting to discuss details and pricing.
